

Montenegro National Anthem

In 2004, the Montenegrin legislature selected "Oj svijetla majska zoro" (Oh, the Bright Dawn of May) as their national anthem. The song was well known within Montenegro as it is a popular folk song

Montenegrin
English

Oj svijetla majska zoro,
Majko nasa Crna Goro,
Sinovi smo tvog stijenja
I cuvari tvog postenja.

Volimo vas, brda tvrda,
I stravicne vase klance
Koji nikad ne poznase
Sramotnoga ropstva lance.

Dok lovcenskoj nasoj misli
Nasa sloga daje krila,
Bice gorda, bice slavna
Domovina nasa mila.

Rijeka ce nasih vala,
Uskacuci u dva mora,
Glas nositi okeanu,
Da je vjecna Crna Gora.
O the bright dawn of May

Montenegro our mother
We are sons of your aspires

And your honours we are keepers.

We love the hard mountains
and their eerie gorges deep
that had never to endure
the shameful chains of slavery.

While to the ideals of Lovæen
our concordance shall grant the wings,
it shall brought the pride and glory
to our beloved homeland.

The river of our waves,
that enter the two seas,
shall to ocean guide the voice
Montenegro is eternal.
